The first meeting with candidates will take place in March 2015 in Madrid.

Why Denmark?

In Denmark, you will enjoy the advantages of a 37 hour week, outstanding care and education opportunities for children and young people, good job options for your spouse and, not least, a working climate in which teamwork, further education opportunities and flat hierarchies occupy a special status.

For Danish hospitals we're looking for medical specialist in the following areas:

- **Neurologists**
- **Cardiologists**
- **Urologists**
- **Radiologists**
- **Pathologists**
- **Emergency Physicians**
- **Psychiatrists**
- **Family Doctors**
- **Oncologists**
- **Endocrinologists**
- **Surgeons (thoracic)**
- **Gastroenterologists**
- **Rheumatologists**

You get

- An interesting working environment which will challenge your professional qualifications and your creativity
- Time for the individual patient and his or her relatives
- An influence on decision-making processes
- A 37-hour week with flexible and family-friendly hours of work
- An intensive specialised Danish language course

To assist with your relocation, Danish hospitals will provide ongoing support to you and your family and assign you a personal contact. Your partner will also receive assistance in finding a job, help is provided in finding a residence, and mentoring is provided as well as help for all other practical matters.
